

# NORTH COAST SCHOOL OF EDUCATION MENTOR APPLICATION

The California Commission on Teacher Credentialing Common Standard 1 and Induction Program Standard 4 requires the Sonoma County Office of Education’s North Coast School of Education (NCSOE) to assure the assignment of qualified Mentors who:

- Have knowledge of the context and the content area of Candidates assigned to them, including the current context of public schooling, P-12 content standards, frameworks, and accountability systems
- Have knowledge of diversity in society, including diverse abilities, culture, language, ethnicity, and gender orientation
- Demonstrate commitment to professional learning and collaboration through effective professional practices in teaching and learning, scholarship and service
- Possess a Clear Teaching Credential
- Are able, willing and flexible in meeting their Candidate’s need for support
- Have a minimum of three years of effective teaching experience

Mentors should work with their District Coordinator to follow both District and Program guidelines for submitting a Mentor Application. In some cases, submitting a letter of interest that details competency in the standards above and the Supplemental Questions below, along with a current resume that covers the components of the application below may be submitted.

***Applications/Resumes and Supplemental Answers/Letters of Interest must be current within a three-year timeframe and are submitted both to the District and to NCSOE prior to assignment to candidates/interns/ permit holders.***
