I understand that I must have a *current* California Intern Credential to teach and that the validity of the Intern credential is dependent upon enrolling and maintaining current status in a university credential program **and** in the North Coast School of Education (NCSOE). Upon receipt of my Intern credential, I understand that I *must* register my credential with my employing school district/agency. By signing this form, I give permission to all parties (University, NCSOE, and Employing School District/Agency) to share my credential and program status and contact information. I understand and agree to these requirements.
